

TBK TACTICAL LAW ENFORCEMENT TRAINING BASIC DRUG INVESTIGATIONS COURSE

Date: 17-20 November 2015

Location: Fairbanks, Alaska

Cost: \$400.00

Details: This is a four-day training course designed for officers/agents who have recently been, or are preparing to be assigned to a drug enforcement unit or task-force, or who are tasked with dangerous drug investigations. This course will include a combination of classroom instruction complimented by scenario based training that will expose student officers to tactics, operations, and techniques utilized during dangerous drug investigations. This course emphasizes a team oriented approach to investigations and tactical operations. At the end of this course students will have completed a minimum of 32 training hours.

Topics to be covered during this course will include but not limited to:

- **Different types of drug investigations**
- **Short-term investigations vs. long-term investigations**
- **Organized criminal activity**
- **Knock & talk contacts**
- **Consent searches of residence and vehicles**
- **Recruitment and use of confidential informant(s)**
- **Physical surveillance techniques, mobile and static**
- **Use of electronic transmitters / recorders**
- **Search warrants**
- **Outside agency assistance**
- **Investigative techniques**
- **Buy-bust operations**
- **Search warrant service / tactical operations**
- **Seizure and processing of evidence**
- **Media relations**

Some scenarios will involve use-of-force training. When appropriate training weapons and safety equipment will be issued to student officers. For additional information on this course, or to register visit our website or contact us directly by phone.
